

Celebrating Local Community

SEPT. 25TH & 26TH
AT THE
CASPAR
COMMUNITY CENTER

You're invited to apply to participate in this year's Caspar Fest Marketplace, Celebrating Local Community. We are seeking creative artists, fine craftspeople, vendors of quality ethnic, fair trade arts & crafts imports and sellers of other interesting objects. The marketplace will share space with kid's activities, local food producers, community non profits, speakers, displays and films focused on renewable energy & sustainability as well as various kinds of spontaneous fun, all in the heart of a peaceful rural village on California's scenic north coast. Continuing live music & dance will be featured on a large outdoor stage each day.

The marketplace site is in an open meadow adjacent to the Community Center a short distance from Hiway One and half way between Mendocino and Ft. Bragg, the two most visited towns on the Mendocino coast.

Cost for a 10 by 10 foot space is \$75 for the weekend. Some double spaces are available for \$140, a few 1/2's at \$40 . To apply, send 4 slides, photos, digital images on a CD or high quality inkjet prints of your wares along with the application below, the full fee and a self-addressed stamped business size envelope to:
